The "**Quick Start**" is a FREE supply of NITYR® that allows eligible patients to begin therapy immediately while the NITYR® Patient Support Program secures appropriate benefit verifications and authorizations. If Quick Start is selected for the patient, an initial 14-day supply of NITYR® will be dispensed (28-day initial supply for patients 6 months of age and younger). The strength, directions and quantity will match per written below for the Ongoing Prescription. All further quick start deliveries will be supplied in 14-day refills (with a limit of 56 days of FREE supply).

☐ **"Quick Start"** (Please check box if the above statement applies)
